II. (Clause iii of Schedule).

Subject:- Whether the cost of acquisition of lands for village extensions is a legitimate charge on District Funds.

O P I N I O N.

The extension or shifting of villages and the creation of new villages are matters that are best dealt with by the Revenue agency direct, without the intervention of District Boards. The cost of acquisition of lands required for such purposes may be borne by State Funds.

Sd. V.P.Madhava Rao,
Dewan of Mysore.

"Extract"

Secretary to Government.

Submitted to His Highness.

The Deputy Commissioner of Tumkur submitted proposals for the acquisition of certain lands for the extension of a village site. The Revenue Commissioner forwarded the papers to Government, supporting the proposals. In accordance with previous practice, the Secretariat referred the papers to the President of the District Board, and called for the opinions of the Board and of the Sanitary Officer, and also asked how the Board proposed to meet the cost of acquisition.

The President in reply, pointed out that in such cases the Board was not able to form an opinion and that the opinion of the Amildar of the Taluk, supported by that of the local Medical or D.P.W. officer might be accepted. He also said that the cost of the acquisition would be met from the Provincial Budget.

When the papers came up before me for orders I observed that this was not a matter for the District Board to deal with and that the cost of such acquisition, was not a legitimate charge on District funds.

The matter was discussed in Council. The Council is of opinion that the extension or shifting of villages and the creation of new villages are matters for the Revenue agency, and that the cost of acquisition may be borne by State funds.

These recommendations may be approved.

With reference to his docket no 3058 d. B.F(127-06)2 dated 24th October 1906 requesting to be furnished with the views of the District Board in re the Extension of the Yellanahalli village, Chickanayakanhalli Taluk and those of the Sanitary Authorities as regards the eligibility of the site selected, Undersigned has the honor to forward herewith

proceedings dated 5th December 1906 which goes to state their inability to form an opinion in the matter for reasons given in the Resolution. Nobody can regret more than undersigned, that the situation as communicated by him in his docket No: 4438 dated the 30th October last should come true for that means more delay in disposal. To refer the matter to the Taluk Board might not improve the situation but it will be done should Government desire it. Undersigned ventures to suggest that the opinion of the Amildar who is always the President or Vice President of the Taluk Board backed if Government consider it necessary, by the opinion of the Taluk Hospital Assistant or the Taluk P.W.D. Officer might be safely accepted. Taluk and District Board Members cannot to undersigned's thinking be

called upon to leave their homes and avocations and go and inspect a village to furnish their opinion. That duty is must remain to Government Officers who are Ex: officio Members of the Taluk Board. Undersigned begs a perusal of the docket quoted above which embraces the whole question in all its details.

2. Orders are requested as to the further action required of undersigned.

3. The cost of the acquisition of the land in reference may be met out of the provision made in the current year's Civil Budget Estimates under "2B, Land Revenue (iii) 4 Compensation for lands taken up for Revenue purposes" as was being paid so hitherto in all such cases.
